ENERGY.

KIO

NOW!

SUPER-CHARGED FUEL

FOR THE MODERN HIGH-SPEED LIFESTYLE.

SKIP THE INTRO.

We live **"NOW" world** - world of instant access. Music, movies, food - they are all "on demand".

So why are we still waiting for coffee to brew or for 500ml of sugar water to be digested.

LIFE DOESN'T BUFFER.

YOUR ENERGY SHOULDN'T EITHER.

ENERGY ON DEMAND

Upgraded caffeine technology for the high-speed world.
No rituals, no waiting, no fillers.

200MG OF NATURAL CAFFEINE DELIVERED IN 25ML OF PURE PRECISION.

This is the fuel for those who live at high RPM.

FOR EVERY MISSION (TG)

DRIVERS

Safety and focus on the longest highways without constant stops.

PROFESSIONALS

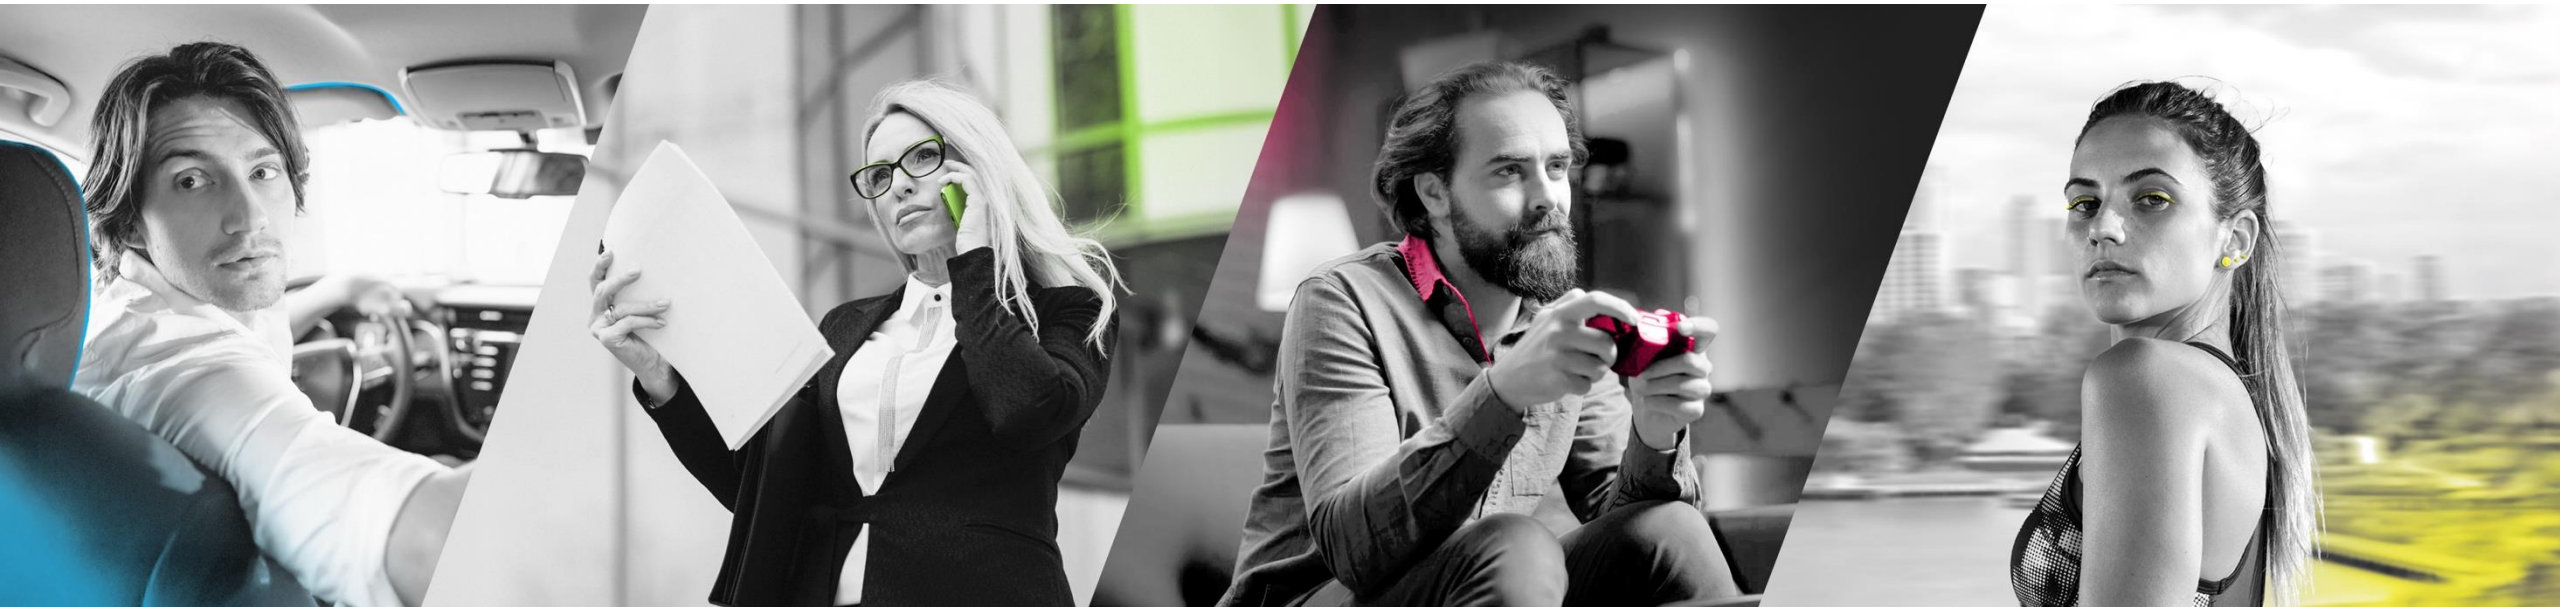

Immediate mental activation for critical meetings and late-night deadlines.

GAMERS

Pinpoint reaction times and sustained flow for the final level.

ATHLETES

Instant pre-workout energy – **no stomach discomfort**.

25ML OF TECH. 200MG OF POWER.

200MG NATURAL CAFFEINE
Maximum dose for maximum alertness.

0% SUGAR 0% CALORIES
Pure energy without the crash or the weight.

NALT NOOTROPIC SUPPORT
For pinpoint precision and cognitive flow.

ONE FORMULA. FOUR HIGH-PERFORMANCE PROFILES

Every single KIQ shot delivers the same
200 mg hit of natural caffeine and 0% sugar.
The choice is purely about your sensory preference.

We used advanced extraction technology to eliminate the bitterness of caffeine, leaving only sharp, intense, and juicy flavors that refresh as much as they energize.

CITRUS SPARK

A sharp, zesty explosion of lemon and orange. Pure freshness to reset the senses.

PINEAPPLE

Smooth, exotic, and tropical. A balanced profile for those who like a long-lasting, fruity vibe.

GRAPEFRUIT

Bitter-sweet precision. Intense and characteristic, if you are looking for a sophisticated, dry taste.

ENERGY DRINK

The legendary energy flavor you know, that refreshes the senses and sharpens your Focus.

MAXIMUM MARGIN. MINIMUM SHELF SPACE.

KIQ is made for the modern retail environment

HIGH RPM SALES Fast sales. Maximum margin per shelf space

NO FRIDGE NEEDED Shelf-stable technology, made for the counter

THE DRIVER'S CHOICE The perfect impulse-buy for everyone stopping for fuel who doesn't want another sugary soda.

KIQ. ENERGY. NOW!

HIGH RETAIL MARGIN

- The compact format, low logistics costs, and modern product category make it possible to achieve an attractive retail margin while maintaining fast turnover.

THE PERFECT IMPULSE PURCHASE

- KIQ meets the needs of gas station customers: quick energy boost, convenience of use, no need to consume a large volume of liquid while driving.

A MODERN ALTERNATIVE TO ENERGY DRINKS

- 0% sugar
- 0 kcal
- concentrated formula
- quick and convenient consumption
- no heavy feeling after drinking a large can

KEY ADVANTAGES OVER TRADITIONAL ENERGY DRINK

KIQ ENERGY SHOT	TRADITIONAL ENERGY DRINK
25 ml instead of 250–500 ml	Large volume
No refrigeration required	Requires refrigeration
Shelf space efficiency	Takes up a lot of space
Perfect for on the go use	Less convenient format
0% sugar and 0 kcal	High Sugar content
Premium, impulse-driven product	Standard category product

DESIGNED FOR MODERN RETAIL

KIQ was created with the following in mind:

- checkout-area sales,
- high product turnover,
- modern visual merchandising,
- compact POS displays,
- customers seeking fast action and convenience

It is a product that increases basket value without taking up space intended for standard beverages

THE HIGH-SPEED
WORLD DOESN'T
WAIT FOR ANYONE.
GIVE YOUR CUSTOMERS
THE KIQ THEY NEED
TO STAY AHEAD.
ENERGY.
